TECHNICAL COLLEGE
TCSG
SYSTEM OF GEORGIA

**TRANSFER AND ARTICULATION AGREEMENT
BETWEEN
FORT HAYS STATE UNIVERSITY
AND
TECHNICAL COLLEGE SYSTEM OF GEORGIA
FOR THE
FHSU BACHELOR OF TECHNOLOGY LEADERSHIP DEGREE**

This Transfer and Articulation Agreement is established by and between Technical College System of Georgia (TCSG), Atlanta, Georgia, and Fort Hays State University (FHSU), Hays, Kansas.

The Technical College System of Georgia is a system of regionally accredited, two year, technical colleges serving the State of Georgia by providing for the state work force needs with trained and educated graduates.

Fort Hays State University, located in Hays, Kansas, is a regionally accredited, four-year university that offers associates, bachelors, masters and educational specialist degrees, including Bachelor of Technology Studies.

The parties agree to the following:

1. The Bachelor of Technology Leadership (BTL) program is designed as an interdisciplinary baccalaureate degree program with emphasis on Technology Leadership. The program is built to serve students who have completed an applicable Associate of Applied Science (AAS) degree program from an accredited institution recognized by FHSU.
2. Matriculation, transfer and degree requirements for the BTL program are established by FHSU. The program has been approved by the Kansas Board of Regents. Attachment A reflects basic BTL program requirements. This program may be modified by FHSU from time to time. If and when changes occur with the curriculum requirements, each party will be responsible for informing the other party of these details in a timely manner. TCSG assures that AAS degree requirements are consistent among its member institutions.
 - a. Students entering the BTL program must graduate from an accredited community, technical or vocational college with an Associate in Applied Science (AAS) degree.
 - b. Students must meet the 24 semester credit hour general education requirements, as defined in the BTL program, in their AAS degree program of study. If the AAS degree does not require 24 semester credit hours, then additional General Education hours will be added to the FHSU BTL Program.
 - c. Students with AAS degrees who have not met the General Education requirements of this Agreement will have those hours added to the BTL degree.

- d. Transfer students are subject to the same FHSU assessment policies and procedures as all other students of FHSU.
 - e. Students must complete a minimum of 60 semester credit hours from a 4-year college with a minimum of 30 hours from FHSU.
 - f. Students must complete a total of 45 semester credit hours of upper-division (junior, senior) credit hours.
 - g. A total of 55 semester credit hours of general education is required.
3. Both parties agree to promote or market the availability of the BTL degree to the students of the institutions of TCSG. FHSU will provide TCSG with program brochures and other promotional materials developed by FHSU for program promotion. TCSG will be responsible for distributing these materials among its members. Rights to printing can be granted by FHSU to TCSG. Both parties agree to seek approval from the other before using their marketing materials, trademarks, or logos. Each party will be responsible for the expenses associated with their respective marketing activities.
 4. Students taking FHSU courses are required to pay the tuition and fees as established for FHSU by the Kansas Board of Regents. Tuition and fees are posted on the FHSU web site.
 5. There are no third party beneficiaries intended, contemplated or created by the signing or execution of the terms of this Agreement.
 6. Contacts for each institution for the purposes of effectuating this Agreement are:

for Fort Hays State University:

Degree Coordinator	Joe Chretien Technology Studies (785) 628-4314 jchretien@fhsu.edu
Agreement Contact	Cindy Elliott Assistant Provost for Strategic Partnerships and Dean of Distance Learning (785) 628-5834 celliot@fhsu.edu

Degree Coordinator	Joe Dan Banker Executive Director for Academic Affairs (404) 679-1670 jbanker@tcsge.edu
Agreement Contact	Kathryn Hornsby Assistant Commissioner for Technical Education (404) 679-5281 khornsby@tcsge.edu

Ian Bond
Executive Director, International Center
404-679-1768
IBond@tcsge.edu

Each party will notify the other party, in a timely manner, of any change in the contacts.

7. This Agreement may not be modified, amended or otherwise changed except by written instructions agreed to and signed by officials of both parties. This Agreement may be terminated by either party upon six (6) months written notice. Both parties agree to inform the other of curricular and policy changes on an annual basis so the Articulation Agreement can remain current.
